ORDER

The magistrate judge found that Petitioner's § 2254 petition should be denied for failure to make a substantial showing of the denial of a federal right. Having carefully considered the magistrate judge's findings and conclusions, the record and the applicable law, the court determines that magistrate judge's findings are correct, and accordingly **accepts** them as those of the court.

Accordingly, Petitioner's § 2254 petition is **denied** and this action is **dismissed with prejudice**.

Final judgment will issue by separate document.

It is so ordered this 31st day of March, 2006.

United States District Judge
